

REPORT ON KG FANCY DRESS 2018-19

On 16th October 2018, St. Montfort Kindergarten held “Fancy dress Competition” for the classes Nursery & KGI. The topic for Nursery was kept open as to see the vivid imagination & creativity of the children through their parents and for the class KGI the theme was “Cartoon Character” which proved to be a joyful one as children dressed up as their lovable cartoon character which they see almost everyday at home.

Since, the maximum participation was the criteria so that children could enjoy the competition as much as they can.

Class KGII had their “Fancy Dress Competition” the very next day i.e. on 17th October and they had “Mythological Character” as the theme.

The competition was a successful one and through this we saw the presentation lovely costumes & how well children know their character & how well they can depict them.
