

## **REPORT FOR KIDS CAMP 2019-2020**

A day spent with friends is always a day well spent. To mark today as a great day St. Montfort Kindergarten held “Kids Camp” for classes nursery KGI & KGII.

An amusing day filled with delightful games & activities was adored by the children. All the students were instructed to come in colourful dress with a cap.

Making their day adventurous and cheerful a game called “Bomb in the city” was played. This camp was also organised to make students realise the happiness of being together, eating together & most important having fun together. The day ended with all the students grooming on the latest songs which they thoroughly fancied.
