

REPORT ON MOM AND ME SHOW 2019-20.

A Mother's love is unconditional and keeps growing with each passing day. Moms are the special people who know us the best and love us wholeheartedly.

For all the lovely mothers, St. Montfort Kindergarten organized a day dedicated to celebrate the beautiful bond between a mother and child "Mom & Me Show" on 6th November 2019 for classes Nursery, KG.I.

The event commenced with lighting of lamp followed by a short address to the audience by our honorable Principal Bro. Monahan. The event then proceeded with various competitions like dance, fashion show, fireless cooking and best one of waste.

To add cherry on the cake, we organized games for the mothers too. After a heavy dose of fun and frolic, the sight of mothers enjoying with their loved ones reflected peace and serenity.

Throughout this journey we came across the different talents beheld by mothers. Some of the participants won while some lost but in the end each one of them won a bunch of everlasting memories to remember the day full of smiles, laughter and million-dollar moments came to an end with a counselling session for the mother to cope with the problems related to children.

Last but not the least a vote of thanks was presented by respected Head Mistress Sr. Christy to all the people who contributed towards the success of this event.
