

### SCIENCE SYMPOSIUM 2022-23

To stimulate students' interest in scientific research and creativity, the science club of St. Montfort School, Bhopal organised an Intersection Science Symposium for the students of Classes IX and X on 2nd August 2022 wherein a team of four members from each section of the classes participated.

The programme commenced with a prayer and welcome address by Mrs. Vidhya Vyas following which she explained the Rules & Regulations along with the parameters of judgement to the participants.

The topic allotted to the class IX was "Green Balconies, Gardens with Altitude" and "Stem Cell Banking, technique and utility" to Class X. The event saw intense competition among the participants. The students of class IX drew their in-depth scientific knowledge and their understanding of the subject matter while expressing their opinion on the topic of the symposium with eloquence and skill. The energetic students of class X participated with full vigour and delivered the scientific message highlighting the benefits and harmfulness of artificial intelligence with full enthusiasm.

The following teams were adjudged the winners:

## Report on flower arrangement competition

*"A Flower does not think of competing with the flower next to it. It just blooms."*

Flower arrangement competition was organised in St. Montfort school Bhopal on 2nd August 2022 by "Art and Craft Club", this competition was organised for classes 6th, 7th and 8th. Competition was organised in School courtyard. Six students were selected from each Section. Children were asked to make flower basket with waste cardboard and waste plastic bottles. Flowers were to be made with colour paper and ribbons on the spot. Winners were selected on the basis of:

1. Material used as per the rules.
2. Arrangement of flowers
3. Overall perfection in flowers and basket.

Students participated with full enthusiasm and innovative ideas were used with creativity. Event was judged by Ms. Gargi Chattopadhyay.
