## *Report on Solo Dance competition held on 27th September 2022*

*With the aim of honing the dancing skills-sets of the students, a Solo dance competition was organized by St. Montfort School Bhopal for students of class I & II. The vivacious dancers filled with joy and energy performed their dance forms enthusiastically. The fun filled extravaganza offered classical, traditional, and western form. The participants dressed beautifully according to the form of their songs and were looking attractive and stunning. Further they used various props suitable to their song forms. The way they were performing using their suitable props proved their involvement and dedication. The happiness of the participants was amply evident with applause and appreciation.*

*The winners of this competition from all the sections of class I & II were awarded with certificates. With a view to enhance their talents the class teachers motivated and encouraged them to partake in such upcoming competitions.*

*These types of activities will not only groom their talents and skills but also will make them bold enough to face the crowd while performing in future.*
