Report on Rhyme Singing Competition

“Rhyming Songs are the foundation for literacy development”

On 28th August 2021, St. Montfort Kindergarten School organised a Rhyme Singing Competition for tiny tots from Class Nursery to KG-2 in which they had to recite one English Rhyme with actions. They prepared their best and favourite rhyme to sing on the day of the competition. The Rhymes were sung beautifully, confidently and with great enthusiasm. The main purpose behind conducting this competition was to build Self-Confidence, Good Oratory Skills with expressions.

The winners of the competition were awarded with e-certificate as a token of appreciation.
