

Mother Child Day – Nursery & Kgi

2017-18

“A Mother is the first teacher for her child.” To keep up the spirit of motherhood St. Montfort Kindergarten organized a Mother Child Activity Day. It was meant for the entire mothers who wish to give their children a lot of time & dedication but are sometimes unable to because of other daily responsibilities.

The day comprised of lot of activities like Dancing, Fashion Show, Fireless Cooking, Drawing, Clay Modeling, and Best out of Waste. These activities were to be done by the mothers & their kids together as a team, to realize that they are affectionately connected to each other.

Along with these activities, an informative counseling session was given by Mrs. Smita Pagnis Counsellor and a faculty of St. Montfort School. It included a discussion about day to day upbringing of their child and values they should share with each other.

A feedback session was held for the parents, where they expressed their views regarding the conduction and importance of this day. The last and the most memorable moment of the day was, the Palm Printing Activity, in which the mother & the kids left their palm impressions on the display boards. “MEMORIES LOCKED FOREVER”.

The programme was overall a successful event which finally concluded with the National Anthem.
