

## **ST.MONTFORT SCHOOL**

### **SCHOOL PICNIC**

Crescent water Park and amusement Park resounded with the sound of music, dance and laughter when the staff both teaching and non teaching spend a fun filling day on 8<sup>th</sup> March 2019 on Women's day. Teachers thoroughly enjoyed along with the Principal, Vice Principal, Sisters & Co-coordinators.

The excitement of the trip had ensured that the trip began well in time.

Things that make people happiest in the world are, going to the occasional Picnic with colleague and that to, to a water park.

A picnic is more than eating a meal; it is a pleasurable state of mind.

On arrival to the water park, everyone secured wrist bands that looked very suave and this commenced the adventure that was much awaited for.

The beautifully designed park was a treat to the eyes and soul .Teachers and the non –teaching staff also enjoyed themselves throughout the day while trying several thrilling slides along with water rides along with water rides .They also relished the lip smacking food served to them. Despite the day long fun, the excitement was palpable and it required a lot of cajoling to the leave the place by 4:30 p.m.The evening wrapped by being fun adventurous, thrilling and a memorable day for Bhopal Monfortian teachers.
